WINTER 2018**

# FILL HEARTS WITH FESTIVE CHEER

Festive songs float through the air. Delicious aromas drift from the table. Wood crackles on the fire. Christmas is all about enjoying good food, good times and good company – what we call goodfoodmood at Duni.

Every element of our collection is designed to create this, from the rich choice of festive patterns to the eco-conscious materials. In practice, this means our collection provides infinite ways to spark anticipation, togetherness and joy.

As everyone has their own idea of a perfect Christmas, we have split our collection into themes: **Santas Workshop**, **Valuable Traditions**, **Rustic Christmas**, **Joyeux Noël** and **The Countdown Begins**. These make it easy to bring any vision to life.

# ecoecho® CELEBRATE CARING

Every choice that prioritises nature is a step towards making the world a better place. The more of these that we make, the brighter our future will be.

And what better time to make these choices than Christmas – a special time of year that is all about showing care for each other.

That's where our market leading ecoecho® range comes in. It offers stylish, eco-conscious plates, glasses, cups and cutlery – as well as compostable unicoloured and design napkins. These not only add goodfoodmood to any dining occasion; they also help pave the way to a more sustainable future.

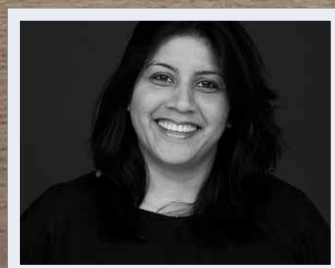

To qualify as ecoecho®, a product has to meet a high standard by fulfilling at least two of the following criteria:

- Renewable – made from plant-based fibres
- Compostable – certified EN 13432 or ASTM D6400 as compostable in industrial facilities
- Responsibly sourced – for instance, FSC®-certified forest fibres
- Resource efficient – for instance, made from recycled materials

In addition to this, most of our ecoecho products can also be recycled.

*"At the heart of this year's Winter collection is the pursuit of a Conscious Christmas. As we celebrate this season, we would like to thank you for using mindful products made with love, empathy and care to add that extra sparkle to your tables."*

& FSC®-CERTIFIED

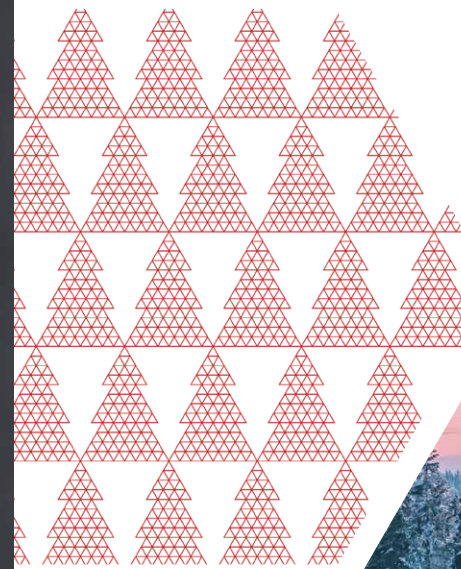

RECYCLED PLASTIC

# SANTAS WORKSHOP

The joyful excitement of children never fails to make Christmas feel extra-special. Santas Workshop unites all the things kids love most about Christmas: snowflakes, snowmen, reindeers and, of course, a starring role for the big man himself.

# VALUABLE TRADITIONS

Valuable Traditions creates a gilded, glittering festive mood. Regal and richly-romantic, this celebration brings together Renaissance and Baroque touches. All about red, gold and green, it sets the stage for a reassuringly traditional yet delightfully dramatic Christmas.

# JOYEUX NOËL

Joyeux Noël combines a touch of retro with a dash of classic charm. This captures the holiday spirit in joyful fashion by gravitating towards cool tones, as well as pink, mint green, teal and gold notes. The icing on the cake comes from Christmas roses and poinsettias.

Led loop with 50 diodes. Uses 3 AA batteries, which are not included.

# THE COUNTDOWN BEGINS

The Countdown Begins creates an exquisite mood with just a hint of mystery. It plays on the contrast between dark and light with silver, black and white tones. Sparkling lights provide the perfect finishing touch. It's just the right ambience for capturing the thrill of the countdown to Christmas and New Year.

# UNICOLOURS

## CARING CHRISTMAS COLOURS

Christmas is all about rich, cosy colours and caring – just like our wide range of FSC®-certified unicoloured table covers and compostable, FSC®- and Swan-certified unicoloured napkins. Our classic Christmas tones, such as red, white, cream and dark green bring virtually limitless opportunities to create a colourful mood and still care for the environment.
