 *Wooden bow tie is the new collection of wooden Papillon made by THE BARS, strictly made in Italy with high quality beech wood. We wanted to reinterpret the classic fashion accessories through a study and a search for alternative materials that combine elegance and style. The whole collection is made of natural beech wood without paintwork, so as to enhance the aesthetic qualities of wood, the versions are carved or engraved on the laser with geometric or artistic fantasy, the right touch of style suitable for every occasion.*
